Skills Sessions: All South View basketball players (Rising 9th - 12th grades) are encouraged to attend as many sessions as possible. There will be players at various skill levels, so ALL players are encouraged to attend and improve their game.

Sessions include: warm-up drills, competitive drills, open scrimmage, and this year a special focus on shooting. We will be **shooting** 150-250 shots per day in skills & will track made shots in a variety of drills. In July, we will publish the names & have special awards for players reaching 3 levels: **500** Made Shots, **800** Made Shots, and **1000** Made Shots.

“Bonus shots” can be earned by shooting at home & attending Skills & Hot Shot sessions.

Skills Sessions are FREE & supervised by multiple coaches. **10AM - NOON**

Hot Shot Fridays: Two Fridays in July will be dedicated to Shooting only.

You will have additional chances to earn Made Shots and we will have several individual and shooting competitions on these days. **10AM - NOON**

SUMMER LEAGUE: A select group of players (may include rising 9th graders) will participate in UNC Pembroke’s league in mid July. Summer league takes place 3 consecutive nights in July and includes 2 or 3 games per night. The league team will be finalized soon after skills sessions begin this summer. We will meet at SVHS and travel by bus to UNC-P for League games. If you are on the League team, **your portion of the expense is \$25 this summer.**
